This is a petition for police protection. According to the petitioner, 4th respondent informed the landlord that he will vacate the premises within two months. According to him, he is doing business in Bangalore and the contesting respondents herein are making the lives of petitioner's family miserable. Counsel for the contesting respondents submitted that they are not doing any such act. That is recorded. We are not expressing any opinion regarding the rights of the petitioner in staying in the house and disputes between them, if any. If there is any untoward incident, petitioners can approach the police and police should give adequate protection as and when necessary. With the above direction this writ petition is disposed of.
